The School Day

Start time	9.00 am
Morning interval	10.30 – 10.45 am
Lunch	12.30 – 1.15 pm
Close	3.00 pm

School term dates can be found at:

www.dumgal.gov.uk/article/15239/School-term-and-holiday-dates

Communicating with home

We aim for parents to have a good understanding of what their children are learning at school.

All of our communication is sent to via email. Every Friday a newsletter is sent out. Every month a calendar of events is issued. Every term a curricular sheet is issued detailing the planned learning for classes.

Paper copies of communication are available for all parents, if requested.

We offer three learning conversations throughout the school year to allow targets to be set for individual pupils through discussions with pupils, parents and teachers.

Our Parent Council also meets termly and has a Facebook page for further communication and engagement.

Our school blog is updated regularly to share learning and teaching with home.

Welcome from the Head Teacher

Dear Parent / Carer

Whether you are parents new to the school, or already have children here, whether you came to the school as a child, or are new to the area, I hope you find the information useful.

There may be questions that are not answered in these pages, so please don't hesitate to ask if there is something you want to know about.

It is our aim to provide a high quality education for all. We are proud of our achievements, attainment and participation of pupils. We hope to offer numerous opportunities for children to enhance their Broad General Education.

You too, have a major part to play in supporting your child's education and through working in partnership with us, can help ensure that we do the very best for your children. We look forward to working with you and welcoming you all to Kirkcolm Primary.

Sheila Baillie

Partnership Head Teacher

For more links and detailed information about how we support parents and work with our schools, please see our [Authority Handbook](#). This also includes a page for financial support for Children and Families.

School Aims, Values and Ethos

Our vision

The North Rhins Partnership is committed to preparing pupils for an ever-changing world by ensuring that we deliver excellent and inspiring experiences that equip them with the skills for life, learning and work. We aim to develop ambition and aspiration in our pupils so that they strive to reach their potential, and want to empower them with the knowledge, skills, values and attributes to shape a sustainable future as a successful learner, confident individual, effective contributor and responsible global citizen. Underpinned by the UNCRC, we aspire towards achieving an inclusive and nurturing ethos which celebrates diversity, where all feel valued and are given the same opportunities to succeed.

Our Values

Nurture, Respect and Persevere. The NRP acronym is derived from North Rhins Partnership.

Our aims

- Ensure wellbeing is a priority – pupils are happy and confident with good self-esteem.
- Within a climate of mutual respect, all in the school community work as a team and take pride over their school.
- We are a rights-respecting school where pupils are thoughtful, kind and caring. They know about and exercise their rights, have their voices heard and respect the rights of others.
- Provide high quality learning opportunities that meet the needs of all, through working in partnership and developing a sense of community.
- Inspire and develop a love of learning through creative approaches and memorable experiences.

Contact Us

The school welcomes suggestions and enquiries from parents and carers.

If you need to find out something

We can be contacted by e-mail, telephone, group call text messages or face to face. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

Comments, Complaints and Compliments

A comment might be some brief feedback about how we have handled a situation or delivered a service. It is best to pass a comment straight to the school so that we can take any necessary action.

If you are not happy with the response you receive or a decision that has been made, you can 'Ask us to Look Again'. You can do this by contacting ParentalInvolvement@dumgal.gov.uk. At this point an Officer will contact you, discuss the issue and direct your enquiry as appropriate.

Remember you can also access Dumfries & Galloway Have Your Say at www.dumgal.gov.uk/

If you remain dissatisfied, the Education and Learning Directorate operate within the complaints handling procedures for Dumfries and Galloway Council. Information on this can be found at www.dumgal.gov.uk/

How the School Works

Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

For more information, on School class sizes and grouping please visit www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings

Kirkcolm is a small school, with pupils split between 2 classes. We have a committed staff team who all work together to create a warm and secure learning environment to meet the needs of all.

For more information please see the [Education Authority Handbook](#)

Positive Behaviour and Celebrating Success

The school expects high standards of behaviour. This is equally important in the classroom, in the playground, in the dinner hall and out of school on school trips. We hope that parents take an active role in ensuring that their children are well behaved, and will support and endorse school policy in a positive manner in discussion with their children.

At Kirkcolm there are many different mechanisms in place for us to celebrate the success of pupils – both school based and wider achievement.

In the foyer we have our "proud wall". Achievements may include learning in class, hobbies, success at clubs and competition winners. These are all linked to skills development.

On our "Press Wall" we display any newspaper cuttings which are shared in the wider community, reflecting achievements of pupils at school.

At our weekly assemblies we regularly celebrate success. We share learning and recent events as well as rewarding success in Accelerated reading, Rainbow spelling/tables, behaviour and attendance with certificates

At the end of term celebration and achievement ceremony in June we formally recognise achievement throughout the session, across the curriculum.

All of the above mechanisms for celebrating success are tracked and recorded in individual pupil overviews and scrapbooks "What have I done today to make me feel proud". This serves as a record of achievements throughout their time at Kirkcolm Primary.

For more information please see of the [Education Authority Handbook](#)

School uniform

All Dumfries and Galloway schools have a dress code which encourages pupils to dress in a way appropriate to attendance at school. For more information on School Uniform, Dress Code, and School Clothing Grants visit www.dumgal.gov.uk

Uniform is worn by all pupils and is positively encouraged. It helps foster a feeling of community and is a practical and cost effective.

Kirkcolm Uniform is a burgundy sweatshirt, burgundy or white polo shirt and either grey or black trousers, skirt or shorts.

For PE children should bring a change of kit including t-shirt and shorts. If we are going outside for a sport like rugby in the colder weather we ask that children come suitably prepared with tracksuit trousers. Parents are requested to provide their children with indoor footwear for use within the school building.

We would ask that parents put names on all items of school clothing.

Financial Support for Children and Families

Grants and Bursaries

Scottish Child Payment

Scottish Child Payment helps towards the costs of supporting your family. It's a weekly payment of £25 that you can get for every child you look after who's under 16 years of age. You'll get the payment every 4 weeks if your application is successful.

Further information and an application can be made at: mygov.scot website or call us on 0800 182 2222.

Best Start Grant

Best Start Grant and Best Start Foods are payments that help towards the costs of being pregnant or looking after a child. Best Start Grant is made up of 3 one-off payments:

- Pregnancy and Baby Payment
- Early Learning Payment
- School Age Payment

Best Start Foods is a prepaid card that can be used in shops or online to buy healthy foods like milk or fruit. The payments you can get now will depend on:

- how far along in your pregnancy you are
- how old your child is

Further information and an application can be made at: mygov.scot website

Clothing Grant

The award of clothing grants is to assist with the cost of school clothing for families who are on a qualifying benefit or on low income. The current award is presently £134 per primary school child and £150 per secondary school child.

Further information and an application can be made at: Free school meals and associated payments - Dumfries and Galloway Council (dumgal.gov.uk)

Education and Learning Directorate are committed to supporting families through their Anti-Poverty Strategy – details of which can be found at www.dumgal.gov.uk/poverty Schools should also make parents aware of the School Uniform Bank Project. Donation and Collection information can be found at the above link.

For more information on financial support please visit the Authority Handbook (pages 8,10 and 34)

School Meals

The Naturally D&G local provenance for a sustainable future ensures that meals are freshly prepared with seasonal ingredients and are free from undesirable additives.

Detailed information on school meals is available at www.dumgal.gov.uk/schoolmenus

Free School Meals

Free school meals are provided for all pupils in Primary 1, 2, 3, 4 and 5. Confirmation of when this will be rolled out to Primary 6 and Primary 7 from the Scottish Government has yet to be confirmed.

In Nursery, eligible children can receive up to 1140 hours a year of Early Learning and Childcare. As part of this funded offer, the child will be entitled to one free meal and a snack each day.

Online pre-ordering of school meals is currently being rolled out to all secondary schools, information will be supplied by your school.

Free school meals can lead to a large saving in each year, nursery and primary school pupils can save £361 and secondary school pupils can save £370. You'll also be helping your child's school if you qualify for free school meals. Some Scottish Government funding provided directly to schools is linked to the number of pupils who are entitled to free school meals.

For more information visit www.dumgal.gov.uk/schoolmeals

Special Dietary Requirements

Facilities Services – Catering provide special dietary requirements for food allergy and intolerances; medically prescribed diets; or diets for religious or cultural reasons specific meals for children of different ethnic origin. Simply ask the school for a Special Diet Request Forms to allow us to inform the catering team who will discuss your child's requirements in full. For more information contact DGschoolmeals@dumgal.gov.uk or the Solutions Centre on 01387 271 112 or solutionscentre@dumgal.gov.uk to access the Legislation & Nutrition Officer.

All Children with allergens should register with the catering team as soon as they are aware that their child has an allergen or intolerance to food.

Scottish Child Payment and Bridging Payments

The Scottish Government's Scottish Child Payment helps towards the costs of supporting your family and, as of 14 November 2022, applications are now open for all children under the age of 16. The weekly value of this award will also increase to £25 as of this point.

School Transport

Free school transport is available for some school children attending primary or secondary school if they live within the school catchment area and if they meet certain criteria. For more information and guidance visit <http://www.dumgal.gov.uk/article/15245/Free-school-transport>

Free Travel for 5 - 22 year olds

From 31 January 2022 all children and young people aged 5-22 will be entitled to free bus travel in Scotland. You can apply for free travel online from today at www.getyournec.scot (This cannot be done through your school)

For more information on Active Travel which is about making journeys in physically active ways like walking, wheeling and cycling, we encourage parents and pupils to walk, wheel, cycle and scoot all or some of the journey to and from school, where it is safe to do so. Please click on this link: www.dumgal.gov.uk

Attendance

It is your responsibility as parents to ensure that your child/children attend school regularly. For the safety of all children it is important for you to telephone the school office prior to/at the beginning of the absence. Absences are recorded in class registers and frequent or irregular absences not supported by a reasonable excuse, will be notified to parents and the matter may be referred to the Opportunities for All Service. If possible please, try to make dental/medical appointments outwith school hours. However, if this is not possible please inform us in writing or by telephone of the appointment and arrange to collect your child from class.

For more information on Attendance, Absences, Lateness and responsibilities of parents please visit www.dumgal.gov.uk

Absence from School

Pupils who need to leave school during the school day ie doctor /dentist appointments, must be collected by a named contact confirmed with the school office. They must also report to the school office on their return to school.

Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful, no matter what their background or circumstances. Ultimately, it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

CfE also includes Languages, Expressive arts, Religious and moral education, Sciences, Social studies and Technologies. The responsibility for the curriculum offer in your school sits with the Headteacher.

The Curriculum

In school we address all areas of Curriculum for Excellence in the Broad General Education.

Please see our school curricular guide for details of approaches to learning and teaching in our school. An information session for parents is held every September and paper copies of this guide are available on request.

Extra-curricular activities

We offer a range of extra-curricular clubs, across all stages throughout the year. Parents are notified of these via the weekly newsletter.

Pupil Council /Eco group/House captains

Pupil voice groups meet every term. In the past the pupil council has assisted health and safety issues, playground development and learning and teaching. The Eco group help take forward our learning for sustainability. House captains help plan events in school and motivate their team. Minutes are recorded and distributed to parents for information.

School Trips

Educational visits are frequently organised to provide a meaningful context. We are regularly out and about in the local community and further afield. As part of the senior pupils' development, we like to offer pupils the chance to participate in residential trips.

We pride ourselves in providing a wide variety of experiences for pupils.

The Community

We have formed many productive partnerships with members of the local community. We also like to invite the local community into school. Fundraising events are advertised locally. We also hold open afternoons and assemblies in which friends and family can come along and see what we are doing. Every year the children perform a concert for all to come and see.

Parental Involvement and Engagement

Parent/Carers and the Parent Council

Every parent who has a child at our school is a member of the Parent Forum. The parent council is a group of parents who have chosen to represent the parent forum. As a member of the Parent Forum, each parent can expect to:

- Receive information about the school and its activities
- Hear about what partnership with parents means in our school
- Be invited to be involved in ways and times that suit you
- Identify issues you want the parent council to work on with the school
- Be asked your opinion by the parent council on issues relating to the school and education it provides
- Work in partnership with staff
- Enjoy taking part in school life in whatever way possible

For more information or support for how you can become involved in or to run your Parent Council please visit www.dumgal.gov.uk/

For more information on what is meant by parental involvement visit www.dumgal.gov.uk/

More information and support for Parents/ Parent Councils is available at <https://connect.scot/>

Parentclub Scotland <https://www.parentclub.scot/> provides support information and guidance to expectant parents, baby, toddler, Child, Pre-teen and Parents and Carers.

The National Parent Forum of Scotland's (NPFs) Curriculum for Excellence in a Nutshell series. Free Downloads for parents/carers: <https://www.npfs.org.uk/downloads/category/in-a-nutshell-series/nationals-in-a-nutshell-series/>

Parentzone Scotland

<https://education.gov.scot/parentzone> information about the Curriculum and how you can be involved in your child's learning.

How is my child doing?

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/

Learning Conversations, formal reports or for some it may be through more formal, focussed meetings with other agencies.

Helping Your Child and Family Learning

Children who are working hard during school do not, as a general rule, need large amounts of extra work at home. Usually, it is enough for their parents to share in what they have been doing in school and to encourage a positive attitude.

Throughout the school year we offer numerous opportunities for parents to come into school as well as sending out regular updates on learning in emails and blog updates.

Regular reading is promoted at home, in all ages and stages.

Our Rainbow spelling scheme aims to develop individual pupils in learning keywords in a progressive manner from p2-7. Similarly our Rainbow tables and Big Maths scheme aims to encourage pupils to learn their number facts through motivational certificates and celebrating success.

Homework challenges may be of a cross curricular nature and involve pupils being creative in their thinking. These projects offer an excellent chance for parents be part of the learning.

All pupils are also given a homework diary as a method of communication between home and school. Please check and sign this regularly and write in any comments you may have.

Parental support in all of the above is much appreciated and can really help pupils to progress in their learning.

Support for All

Support for Learners

All children receive support at school and nursery to help them learn. 'Additional support for learning' is how we describe any support that is extra or different to the help that most children receive. Most of this additional support is provided by teachers in mainstream classes, focussed on learning and support to be fully involved in school life. For the majority of children and young people this will be delivered in a mainstream classroom supported by their classroom teacher for a few this will mean some additional support alongside the classroom teacher, and for a very few this will be part-time or full-time provision in a school with a learning centre or an inclusion base.

More information is available at www.dumgal.gov.uk/ and on page 18 of our [Education Authority Handbook](#)

Getting It Right For Every Child (GIRFEC)

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at www.dumgal.gov.uk/girfec and on page 20 of our [Education Authority Handbook](#)

Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well.

Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

Enrolment in Schools - School Places

Information on enrolment in school and catchment areas is available at <http://www.dumgal.gov.uk/article/15241/School-places> Information regarding catchment areas can be found on the Council's website by accessing "Find My Nearest".

School Improvements

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's web-site and are also available in hard copy, on request. A copy can also be found by searching for your school at www.dumgal.gov.uk/schools

In May each year, the school publishes a "Standards and quality" report providing all with a comprehensive summary of the school's work and learners' achievements over the last year. The first part of this report provides an overview of the school's progress in addressing its key priorities, while the second part gives information about, for example, how well pupils are learning and achieving;

how well the school is supporting children/young people to develop and learn.

In June, we publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following due consultation with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward.

School improvements are shared at every Parent council meeting and parents, staff and pupils are invited to participate in the dialogue to enable us to work together to take the school forward.

Health and Safety

Emergency Procedures (including Safer Together Guidance)

If your child feels unwell or have hurt themselves during the school day they must report this to an adult in the school. If we feel that they would be better at home we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

www.dumgal.gov.uk/article/15240/Emergency-school-closures

Data Protection

Information on how the Council uses personal data is available at www.dumgal.gov.uk/article/15129/Data-protection and www.dumgal.gov.uk/privacy

ICT in Schools

For more information on ICT in school please see page 14 of the [Education Authority Handbook](#)

Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.

For more information visit our [Education Authority Handbook](#) and [Safe Digital Learning and Social Media Leaflet](#)
