Communicating with home

We send most communications home from school electronically. Emails and Groupcalls are sent regularly with a weekly update of what has been going on in school, found on our School Blog <https://blogs.glowscotland.org.uk/dg/lochrutton/>

We have found this to be an efficient and environmentally friendly system. Reply slips, general paper correspondence and leaflets etc. are sent home in the pupils' bags. Parents are also welcomed into school to celebrate learning, to volunteer and share in their child's learning, as well as for more formal Learning consultations and Parents' Evenings.

Welcome from the Head Teacher

Dear Parent / Carer

Welcome to our school from all at Lochrutton Primary School. We are a rural school partnered with Shawhead Primary School.

The purpose of this handbook is to provide you with all the key information you will need as your child starts at the school. If you have any queries about the content of the handbook, or any questions that the handbook does not answer, please do not hesitate to get in touch.

We aim to make sure our learners are happy and healthy and feel safe and secure so they can try their best, learn actively, achieve great things and make us proud. We work with pupils, parents, school staff and a variety of partners to try to achieve these aims for all our pupils.

Yours sincerely

Gordon Tennant
Partnership Head Teacher

We can be contacted by e-mail, telephone, group call text messages or face to face. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

Comments, Complaints and Compliments

A comment might be some brief feedback about how we have handled a situation or delivered a service. It is best to pass a comment straight to the school so that we can take any necessary action.

If you are not happy with the response you receive or a decision that has been made, you can 'Ask us to Look Again'. You can do this by contacting ParentalInvolvement@dumgal.gov.uk. At this point an Officer will contact you, discuss the issue and direct your enquiry as appropriate.

Remember you can also access Dumfries & Galloway Have Your Say at www.dumgal.gov.uk

If you remain dissatisfied, the Education and Learning Directorate operate within the complaints handling procedures for Dumfries and Galloway Council. Information on this can be found at www.dumgal.gov.uk

How the School Works

Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

For more information, on School class sizes and grouping please visit www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings

Lochrutton School currently has one Partnership Head Teacher, a Principal Teacher and a part time class teacher. The children are altogether in a multi-composite P1-7 class. The children will be in different groups for different subjects depending on the Curriculum for Excellence level they are working at. These groupings will change as pupils develop at their own pace.

For more information please see the [Education Authority Handbook](#)

Positive Behaviour and Celebrating Success

Lochrutton School is a very nurturing and inclusive school, where every member of the team is valued and their achievements are shared and celebrated. We share successes and achievements, from both in and out of school, daily and weekly. All the pupils in the school are part of a Pupil Voice group and their work has led to the whole school achieving success in national awards; for example, we are the proud holders of the Gold Sports Scotland Award and are a UNICEF Silver Rights Respecting School. These achievements are valued by all the members of the team and allow everyone to achieve, and celebrate success.

We work hard to build positive relationships across the school that allow us to take a restorative approach in encouraging positive behaviour. We have a clear set of agreed school rules made with our staff and pupils – a school charter which help our youngsters make positive decisions about their behaviour.

Good behaviour is expected and promoted. We follow a clear anti-bullying policy where our children have a good understanding of what bullying is.

As we are a Rights Respecting School, the children create their own class charter, based on their rights as set out in the UNCRC.

For more information please see of the [Education Authority Handbook](#)

School uniform

All Dumfries and Galloway schools have a dress code which encourages pupils to dress in a way appropriate to attendance at school. For more information on School Uniform, Dress Code, and School Clothing Grants visit www.dumgal.gov.uk

Lochrutton's Primary's designated school uniform is a red school sweatshirt or red school cardigan, a white shirt or white/red polo shirt and either grey or dark coloured trousers or skirt. Pupils are encouraged to wear school uniform as it helps create a sense of belonging and a positive attitude to school as a place of work. Uniform can be ordered directly from the school office throughout the year.

Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful, no matter what their background or circumstances. Ultimately, it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

CfE also includes Languages, Expressive arts, Religious and moral education, Sciences, Social studies and Technologies. The responsibility for the curriculum offer in your school sits with the Headteacher.

Lochrutton School aims to ensure that all learners' progress at their own pace and so differentiates learning to allow individual achievement. Pupil progress and achievement is monitored carefully so that support can be offered to learners at appropriate points to ensure continued progress. We are keen that our pupils experience a wide range of learning opportunities to ensure they are able to develop skills and knowledge in a manner that suits them best.

We are keen to develop independent pupil-led learning in the school. Outdoor Learning offers a wide variety of opportunities for pupil-led learning as well as providing challenge and an opportunity to apply skills and knowledge gained in the classroom. Digital skills are embedded into our curriculum, with desktops, laptops and iPads being used as a part of learning in most lessons. Pupils develop digital skills as part of their Interdisciplinary Learning.

Helping Your Child and Family Learning

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/ Learning Consultations, formal reports or for some it may be through more formal, focussed meetings with other agencies. There is a learning consultation evening in November with parents and pupils, and a final report is sent out in May/June, as well as another learning consultation evening.

From time to time the school will set homework tasks for the pupils which reflects the breadth of the curriculum. This keeps parents informed about on-going school work and gives the children the opportunity to develop their skills through extra practice.

Support for All

Support for Learners

All children receive support at school and nursery to help them learn. 'Additional support for learning' is how we describe any support that is extra or different to the help that most children receive. Most of this additional support is provided by teachers in mainstream classes, focussed on learning and support to be fully involved in school life. For the majority of children and young people this will be delivered in a mainstream classroom supported by their classroom teacher for a few this will mean some additional support alongside the classroom teacher, and for a very few this will be part-time or full-time provision in a school with a learning centre or an inclusion base.

More information is available at www.dumgal.gov.uk and on page 18 of our [Education Authority Handbook](#)

Getting It Right For Every Child (GIRFEC)

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at www.dumgal.gov.uk/girfec and on page 20 of our [Education Authority Handbook](#)

Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well.

Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

Enrolment in Schools - School Places

Information on enrolment in school and catchment areas is available at <http://www.dumgal.gov.uk/article/15241/School-places> Information regarding catchment areas can be found on the Council's website by accessing "Find My Nearest".

School Improvements

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's Blog and are also available in hard copy, on request. A copy can also be found by searching for your school at www.dumgal.gov.uk/schools Lochrutton School Improvement Plan 2024 -2025.

There is a standards and qualities report that is written at the end of each school year to evaluate the progress of the priorities of the School Improvement Plan.

The staff, pupils and parents have a collective say in how to improve the school here at Lochrutton and provide our learners with the best possible experience for their primary school years.

Health and Safety

Emergency Procedures (including Safer Together Guidance)

If your child feels unwell or have hurt themselves during the school day they must report this to an adult in the school. If we feel that they would be better at home we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.
